50 YEARS SINCE HUMANAE VITAE

## Springtime Productions Announces New Documentary *Sexual Revolution: 50 Years Since Humanae Vitae*

(June 4, 2018) – *Sexual Revolution: 50 Years Since Humanae Vitae* is a groundbreaking and beautifully-made documentary about Humanae Vitae, and the never-before-told story about the parallel development of the Pill and modern Natural Family Planning (NFP) and their founding doctors, Dr. Gregory Pincus and Drs. John & Evelyn Billings. Seven years in the making and filmed around the world, the documentary examines the fall out of the free-love experiment set against the backdrop of Pope Paul VI's groundbreaking encyclical about love, sex, and marriage.

The centerpiece of the movie is the dramatic life story of recording artist Alana Newman, once a pro-choice feminist who gives up her promising career for marriage and family. Born through donor conception (anonymous sperm donation), Alana's youth is filled with curiosity about her biological father that develops into a sense of abandonment and self-doubt. Still, a spark of that curiosity inspires her on to an arduous search that leads her to Truth, Beauty, Goodness and a profound conversion. Alana discovers the treasures of *Humanae Vitae* and *Theology of the Body* and comes to realize that she, in fact, may never have been fatherless.

*Sexual Revolution: 50 Years Since Humanae Vitae*, directed by Daniel DiSilva (*The Original Image of Divine Mercy*) and Rickard Newman, features exclusive interviews with Archbishop Charles J. Chaput of Philadelphia, Archbishop Anthony Fisher of Sydney, Australia, Dr. Janet Smith, Dr. Peter Kreeft, Dr. Robert P. George, Helen Alvaré, Mary Eberstadt, Christopher West, Abby Johnson, Dr. Day Gardner, Mark Regnerus, Dr. Angela Franks, Dr. Bradford Wilcox, Fr. Tad Pacholczyk, Pilar Vigil, Marguerite Duane, Steven Mosher and others.

The documentary also includes never-before-seen footage of St. Mother Teresa of Calcutta and the team of scientists and doctors that developed modern Natural Family Planning.

*Sexual Revolution: 50 Years Since Humanae Vitae* will be released in English and translated into several other languages. Screenings in Rome for October 2018 are being coordinated to coincide with the Canonization of Pope Paul VI.
